

Lead Practitioner In Adult Care

Level 4

18 Months Total Programme
Length

Apprenticeship Overview

A lead practitioner in adult care provides direct care to adults, as well as guiding and motivating a team to deliver exceptional service to individuals grappling with a variety of challenges. These challenges can cover anything from the physical and emotional to the psychological and intellectual. They possess advanced knowledge and specialised skills in areas such as assessment, therapy, rehabilitation, and assistive technology.

This apprenticeship aligns perfectly with the responsibilities of a lead practitioner in adult care. Apprentices will develop both as a care provider and as leader, equipped with the tools to mentor colleagues, evaluate care delivery, and drive improvements within the adult care setting.
